**STIPULATION AND ORDER TO
EXTEND DISCOVERY DEADLINES
(THIRD REQUEST)**

Plaintiff RICHARD O'BRINGER, individually, and Defendant PROGRESSIVE
INSURANCE COMPANY by and through their respective counsel request this Honorable Court to
extend the discovery deadlines 60 days as requested herein.

I. LOCAL RULE 6-1 IS SATISFIED

This is the third request for an extension of discovery deadlines filed by the parties. The first
extension was filed January 8, 2024, and a second on March 7, 2024. This Stipulation and request
for extension of discovery dates is made more than twenty-one (21) days before the expiration of
the deadline for discovery in this case, which is currently August 9, 2024 with initial experts due

June 11, 2024. This extension will accommodate the availability of one of Plaintiff's expert who is currently out of the country.

Pursuant to the controlling Discovery Plan, the following dates govern for purposes of discovery:

- | | |
|--------------------------------|-------------------|
| 1. Discovery Cutoff Date: | August 9, 2024 |
| 2. Initial Expert Disclosure: | June 11, 2024 |
| 3. Rebuttal Expert Disclosure: | July 12, 2024 |
| 4. Dispositive Motions: | September 9, 2024 |
| 5. Joint Pre-Trial Order: | October 7, 2024 |

Plaintiff filed his First Amended Complaint on November 14, 2023, followed by Defendant's Answer to First Amended Complaint on December 20, 2023. Plaintiff's Amended Complaint asserted significant additional facts underscoring his theories of liability. Since that filing, the parties have worked jointly within the availability of critical fact witnesses, including claim adjuster Debi Bruns-Lake, whose deposition was taken on February 13, 2024. The parties are now working on identifying and producing additional fact witnesses.

Further, Defendant requested and received the Rule 35 Examination of Plaintiff. The parties worked to conclude that examination on May 13, 2024. Both parties would like to have their respective experts avail themselves of the written report of the examination. The specific discovery remaining to be completed is:

- Deposition of remaining percipient witness, Donna Bergstrom;
- Deposition of remaining treating physicians, including Omar Cabahug, MD;
- Disclosure of expert witnesses (initial and rebuttal);
- Deposition(s) of all expert witnesses; and
- Any additional written discovery.

Based on the foregoing, the parties have agreed to extend the discovery deadline by 60 days.

The instant request comports with Local Rule 6-1 in that no request is made after the specified period expires.

II. LOCAL RULE 26-3 IS SATISFIED

The instant request to extend discovery deadlines satisfies the requisites of Local Rule 26-3. Additionally, good cause exists for the extension. As addressed above, the parties are working

cooperatively to schedule and obtain the deposition testimony of third parties who are necessary to the asserted claims and defenses. As such, the parties need additional time to procure records, schedule depositions, and complete any additional discovery. Accordingly, the parties are requesting a 60-day extension to all discovery deadlines.

Listed below is a statement specifying the discovery completed in this case:
